

## Value Proposition

### *Skills Development, the key to Business Performance Excellence through People!*

Welcome to Liderazgo Skills Development Training and Education.

Our nation-wide, comprehensive range of short course Business Skills and Legislative Training Programmes are Unit Standard aligned and aimed at both organisational and personal effectiveness, talent and leadership development.

Liderazgo is accredited with the Service SETA (3883), the Transport Education and Training Authority (TETA) (TETA13-327), the Education, Training and Development Practices SETA (ETDP) (ETDPS011598), the Department of Transport (DOT) (Approval Nr PrDP(D)2013/116), the Department of Labour (DOL) for Forklift and First Aid (Certificate Nr CI 443/3/12/1), which places us in the unique position of offering a single brand, multi product and multi-channel comprehensive end to end holistic training solution for our customers.

The Liderazgo team is made up of subject matter experts, facilitators, and moderators all with full accreditation. We have a wealth of experience in the field of Learning and Development, both international and local.
